Forests give us

) carbon-di-oxide   b) light   c) oxygen
) all of a), b) and c)

(III-4)

All India Science Teachers' Association, West Bengal.
SCIENCE APTITUDE AND TALENT SEARCH TEST-2019.

Time : 1 hr. 45 min.   Full Marks : 60

Class - III

INSTRUCTIONS :

1) Write your name, class, name of school and roll number both at left and right side on the answer sheet. 2) In the question paper you will find your probable answers : a), b), c), and d) against each question. Find out which of the answers appears to you to be correct or the best. There are four circles on the answer sheet corresponding to each question no. a), b), c), and d). Now mark the circle below the letter of the selected answer in the answer sheet by putting a cross mark distinctly with a ball pen as shown here ○○⊗○; here c) is the correct answer. 3) 1 mark will be awarded for each correct answer and 1 mark will be deducted for 3 wrong answers. Don't write anything on the question paper. 4) Don't underline or tick the answer on the question paper. Submit the answer sheet only after the examination. 5) You may use additional blank sheet for any rough work, if necessary. 6) Do not waste time for answering a question which appears difficult to you, better try next question. If you consider first answer wrong, blacken it like ● and put ⊗ on correct answer.
